Anushka Fernandopulle is a Senior Consultant at CompassPoint Nonprofit Services who works primarily in the areas of staff management, organizational development, and strategic planning. She has worked in the nonprofit sector in organizations focused on HIV prevention, youth development, education, LGBT organizing, and grassroots community development. She has also worked in the private sector in the organizational effectiveness practice of a large international human resources consulting firm. Her approach to organizations is informed by a BA in social anthropology from Harvard University and an MBA from the Yale School of Management focused on nonprofit management and organizational behavior. She currently serves on the board of the Buddhist Peace Fellowship.
